SUPERINTENDENT

Dr. Joseph Harrington

To the Class of 1979

Congratulations!

As graduates of Dighton-Rehoboth, you enter into a body of alumni who have, through their efforts and contributions, achieved goals which have given them pride, pleasure, and satisfaction. Your participation, involvement, and commitment during your public school education have determined your goals and your level of achievement. We hope you continue to be as proud of your accomplishments as we are.

As a group, each class contributes to the proud traditions established by previous classes. The Class of 1979 has clearly met its responsibility in that regard. We are happy to have been part of your doing so.

Sincere best wishes for a rewarding future.

Very truly yours,

Joseph C. Harrington

PRINCIPAL

Mr. Marshall Sawyer

We hope that you will have cause to look favorably on these past four years. To the best of our ability, you are prepared for the next important step in your life. We hope that you are not only ready, but eager to enter this post high school world.

Your view of life will play a large part in any success that you might have. If you view success as a journey rather than as a destination, then success will be possible.

I wish you all good luck and happiness in the years to come.

M. Sawyer

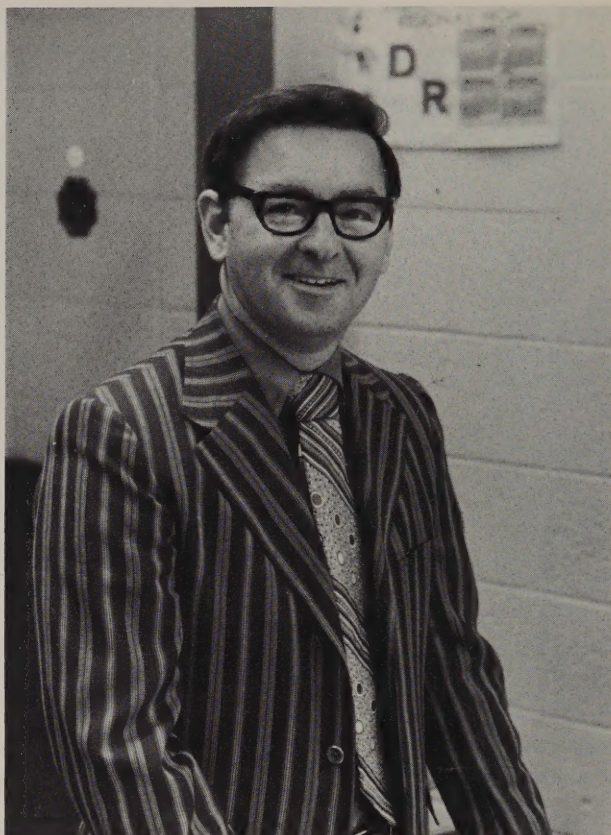

ASSISTANT PRINCIPAL ATHLETIC DIRECTOR

Mr. George Petrin

Dear Graduates:

How quickly the perception of life and what is important changes and continues to change as one gains experience, matures, and continues to learn. It is my wish that your education at Dighton-Rehoboth has prepared you well to adapt and adjust to the many new, pleasant, and sometime sad experiences you will encounter. Best wishes for a happy and fulfilling future in your chosen endeavors.

ASSISTANT PRINCIPAL DIRECTOR OF OCCUPATIONAL EDUCATION

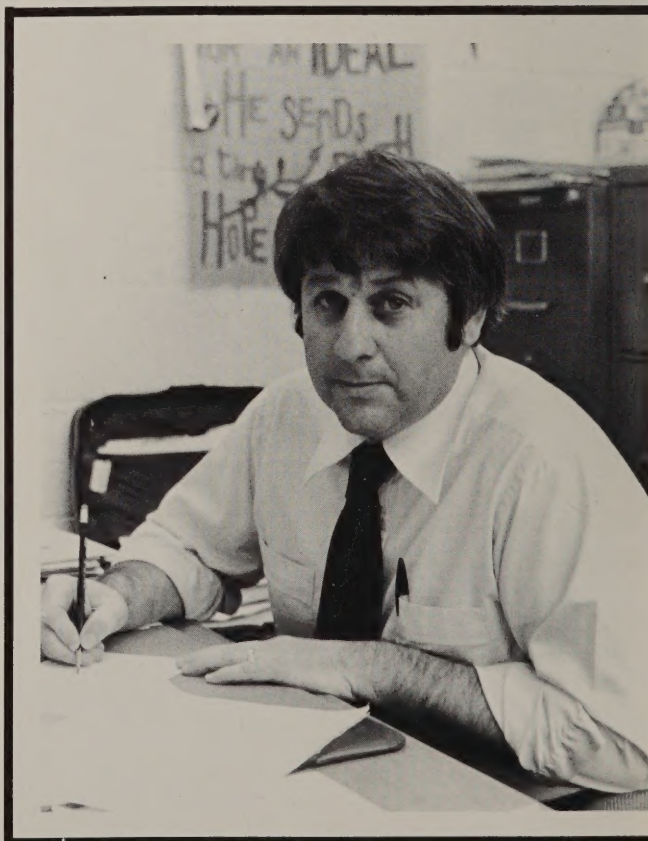

Mr. Francis Marcille

To the class of 1979:

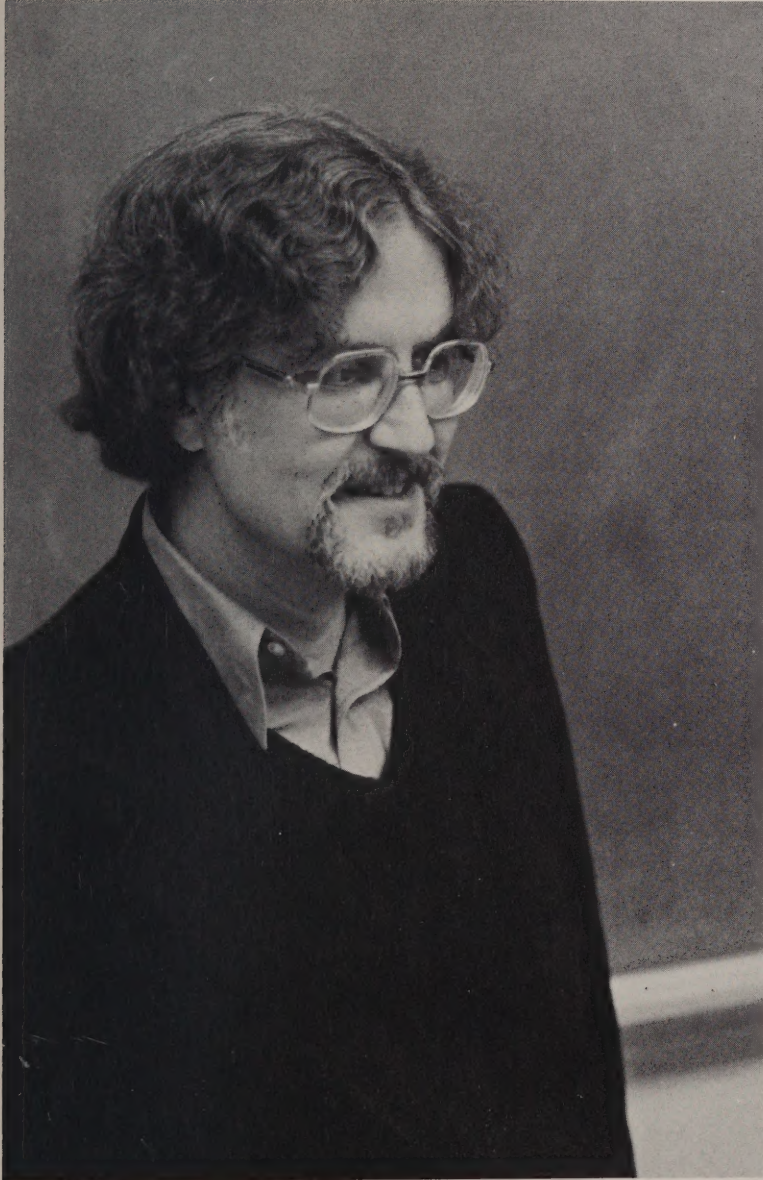

Today is the first day of the rest of your life. Have courage. Develop responsibility. Remember commitment. Create beauty.

Congratulations to all.

Francis Marcille

DEDICATION

The sudden death of James F. Frates on December 28th greatly saddened all who knew him here at D-R. Mr. Frates was something of an institution, having headed the language department since the school opened nearly twenty years ago. He was an extraordinarily gifted man, graduating magna cum laude from Taunton High School, being elected Phi Beta Kappa after graduating from Brown University, and receiving his Master's Degree from Harvard. He was also the recipient of a Fullbright Scholarship to the American Academy in Rome, Italy. He spoke eight different languages, including his favorite, Latin.

Apart from being academically gifted, Mr. Frates is best remembered by most people for his sense of humor, a trifle bizarre and always entertaining.

The Class of '79 is honored to dedicate this yearbook in the memory of **James F. Frates**, a truly unique man.

SOMETIMES

Sometimes, not often enough,
We reflect upon the good things.
And those thoughts always center
Around those we love.
And I think about those people
Who mean so much to me,
And for so many years have made
Me so very happy.
And I count the times
I have forgotten to say
"Thank you"
And just how much I love them.

Felicia Mancini

SENIORS OF '79

ENERGY IN ACTION

With its arrival in September, 1975, the Class of 1979 promised to become one of the most outstanding groups in D-R history. From the outset, the class strove to establish a name which other classes would respect and teachers would fondly remember. Through hard work, dedication, and fun, the Class of '79 was held together by a unifying spirit of pride in its work and its school.

For all classes at D-R, the freshman year is a time to get acquainted, build, and grow. A pen sale opened the '79 bank account, while, under the careful guidance of our hard-working advisor, Mr. Jeffrey Day, the class used some of that money to present a sincere representation of its vivacious spirit during the hall decorating contest.

This same boundless spirit was the deciding factor as the Class of '79 became the first winners of "Spirit Week" in its sophomore year. Two bake sales, a pin sale, the "Battle of the Bands" dance, and a phenomenal calendar drive made the '76-'77 school year a huge financial success as well.

The large treasury proved to be an important factor in our junior year. First, money was used to help create the fabulous corridor decorations. To add more to our coffers, the class sold pins, pawned baked goods, cosponsored a "Spirit Dance" with the Cheerleaders and washed cars. Working closely with the seniors, the Class of '79 cosponsored a terrific pep rally and the traditional Christmas dance. Reviving an old tradition, the class became the first one in years to sponsor a Junior Prom. After an eventful evening of decorating the night before and a minor bomb scare, this culminating affair took place in our beautifully transformed gymnasium.

Not to be anticlimatic, the class started senior year off with a runaway victory in Spirit Week, making it the first two-time winner and adding another successful pep rally to its credits. The class tried to get the whole school involved in its Computer Dance in December and despite poor weather, the Senior Supper was a fitting tribute to the early graduates and an enjoyable evening for all who participated. In April, the Class of '79 presented its outstanding production of "Gentlemen Prefer Blondes" as its Senior Class Play, the final fundraiser of its career. The Senior Reception and graduation were both carried out with the style and finesse befitting such an amazing group who have set the precedent for all future classes to emulate and admire.

THE ROAD TO 1980

The long and winding road
That leads to your door
Will never disappear,
I've seen that road before.
It always leads me here,
Leads me to your door.

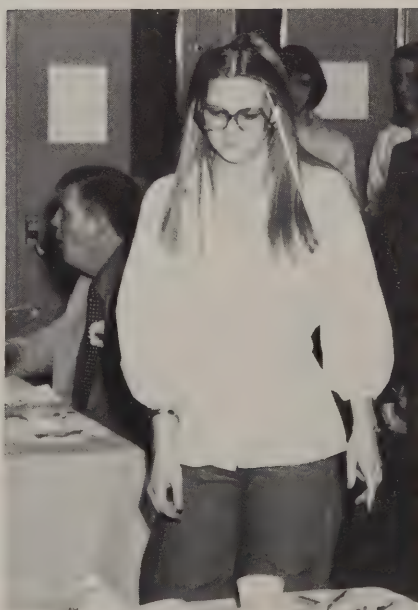

The wild and windy night
That the rain washed away
Has left a pool of tears
Crying for the day.
Why leave me standing here,
Let me know the way.

Many times I've been alone
And many times I've cried,
Anyway you'll never know
The many ways I've tried.

But still they lead me back
To the long and winding road,
You left me standing here,
A long time ago.
Don't leave me standing here,
Lead me to your door.

STUDENT GOVERNMENT

The 1978-79 Student Government enjoyed an extremely productive year. Some new activities, such as assisting at the Rehoboth J.C.'s Haunted House, brought money into the Citizens Scholarship Fund treasury. As did some annual traditions, The Ham and Bean Supper broke all previous records by collecting over \$1000. Another fund raising event was the phenomenal Thanksgiving Basket Drive which may go down in history with a final total of well over \$900, enough to give 36 needy families a good Thanksgiving dinner.

For Christmas, D-R anxiously rolled up its sleeve

for the best gift ever: the gift of life. The Red Cross Bloodmobile left the gym with 51 pints, the most blood ever collected at D-R.

In May, the 2nd annual anti-smoking campaign was a smash with all three towns. These youngsters listened attentively to the volunteer lecturers and fell in love with Smokey Sam.

Exchanges with Taunton and Seekonk, two conventions, candy bar sales and an open meeting rounded off one of the busiest years the student government has had in a long, long time.

Standing: Lisa Lach, Debbie Spring, James Torres, Nona Bianci, Cheryl Pontes, Peter Evans, Kate Otterson. **Sitting:** John Paradis: Vice President, Eric Hjerpe, Chris Minardi. **Not shown:** Mike DuValley: President, Scott Grant, Danny Deamaral.

NATIONAL HONOR SOCIETY

The National Honor Society had a trying year in which it suffered a great loss and has been attempting to cope ever since. In late December, our advisor, Mr. Frates, died suddenly, leaving a large gap that had not been filled. We had, however, joined together and had some notable achievements this year. We had served as ushers on both Open House Night for parents and the James Frates Memorial Concert, as well as making ourselves available for tutoring needy students. Our big project was again candy and soda sales at home basketball games in order to finance the induction ceremony for new members at the end of the year. Though not much money was earned, many members helped out and this team effort increased our togetherness. We also enjoyed the usual privileges of the National Honor Society; namely, our own homeroom, and no reporting to study halls. In essence, the National Honor Society experienced a very trying, but at the same time, rewarding year.

Standing: Louise Marcoux, Lisa Machado, Cheryl Martin. **Sitting:** Sue Simpson, Terri Monteiro, Pam Bergeron, Gloria Perry.

LATIN CLUB

This year was a good one for the Latin Club. Membership soared to an unprecedented twenty, and interest was strong. In December, the club started off the season by sponsoring three different activities, a field trip to the Brown University, Latin Carol Service, the unforgettable Zona Hunt, and a very successful Saturnalia celebration. After taking two months off to recuperate from December, we held our annual Ides of March-Vergil's Birthday Party.

Standing: Chris Minardi, Tim Conaty, Lisa Machado, Sue Simpson, Cheryl Martin, Debbie Morrell, Judy McCloskey, Chris Van den Steen, Jim Torres, Betsy Alper, Terri Monteiro, Gre Rassol, David Platt, Kate Otterson, Kevin Reed. **Sitting:** Co-Editors — Marilyn Snape, Bruce Martin, Johanna Bell, Louise Marcoux

CYCLOPS

The Cyclops began with a slow start, but built up momentum as the year rolled along, putting out an issue a month for the last six months. When each issue made it safely to the printer, a deep heartfelt sigh could be heard issuing from the depths of C19B. A large staff of writers combined with talented artists helped make this the best Cyclops year ever.

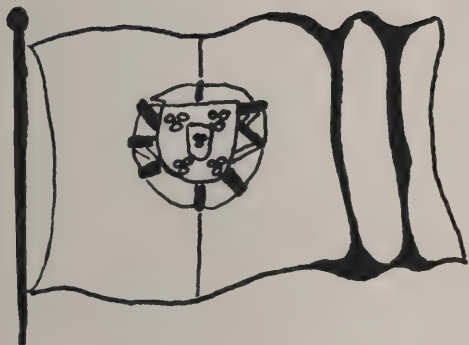

FRENCH CLUB

The French Club started its 1978-79 year with a meeting in mid-October to discuss possible activities with Mrs. Marcoux, who was both teaching at D-R and serving as the Club advisor for the first time. At its second meeting, the club elected the following officers: vice president: Debbie Spring, and Lynn Turnblom: president, and secretary/treasurer: Krista Van den Steen. So far, the club has had a very successful taffy pull (at which French music was heard in the background) and has gone to see a French movie, **Le Pays Bleu**, a comical and truly enjoyable love story. French club members along with some of the French classes also learned many interesting facts about life in France from a guest-speaker, Jean-Claude Boiesnier. The latest expedition of French club members and French classes was to see an excellent production of *Le Petit Prince*, after having read the book in class. Future activities planned for the club are a quiche bake, a trip to a French restaurant, and a second visit from Monsieur Boiesnier.

Standing: Terri Monteiro, Sue Stevens, Gloria Perry, Pam Bereron, Louise Marcoux, Robin Conley, Kate Otterson, Liz Perreira, Kevin Reed, Pam Reed. **Sitting:** Chris Vandenstein: Secretary, Debbie Spring: Vice President, Lynn Turnblom: President, Mrs. Marcoux. **Not shown:** Kim Jones.

PORTUGUESE CLUB

As in past years, the Portuguese Club made its annual trip to a Portuguese restaurant. The site for this year's festivities was the Sagres, where along with being served delicious Portuguese food, the club was entertained by Portuguese Fado singers.

The Portuguese Club had some bad news too this year. Mr. Santos, the advisor, left his family at D-R to return to the life of a farmer. His last official act as advisor was to attend his own surprise party which was no small task to keep a surprise. We are sorry to see Mr. Santos go, but we all hope he will be successful in his new position.

Standing: Mr. Santos, Terri Monteiro, Gloria Perry, Pam Bergeron, Pauline Fraga, Robin Mellen, Dori-Jo Brazil, Paula Costa, Liz Mendes, Brenda Duarte. **Sitting:** Anita Ashley: Secretary, Tim Conaty: Vice President, Cheryl Pontes: President, James Torres: Treasurer.

BAND COUNCIL

Top row: President: Jennifer Simmons, Vice President: Deby Jacoy, Jennie Brin, Steve Salgueiro, Secretary: Jennifer Simmons, and Advisor: Mr. Otto. **Bottom:** John Shaw, Lisa Shaw, Kevin Strange.

Band Council, reestablished last year, holds meetings, one Thursday a month. The council is made up of two members from each class. Topics discussed are band procedures, and types of music done in band. Band Council was partly responsible for the first annual Music Day for the Seventh and Eighth graders.

CHORUS COUNCIL

President: Lisa Lach, Vice President: Kris Silva, Advisor: Mr. Desco-teaux.

Top row: Mr. Descoteaux, Peter Hatten, Greg Rassol, David Strange, Patty Torgen, Bob Nickelson, Deby Jecoy, Ken Rose, Mr. Otto.
Bottom row: Danny Lejuene, Mellissa Grant, Lisa Lach, Sue Martin, Jane McCombs, Jennie Brin.

S.E.M.S.B.A. AUDITIONS

Question: What event do musicians hate more than anything else in the world?

Hint: Symptoms include stomach aches, headaches, the shakes, suicidal tendencies, etc.

Answer: Audition.

All musicians dread auditions. But this is what they must endure to make the S.E.M.S.B.A. (South Eastern Massachussets Bandmasters Association) Music Festival. After spending countless hours going over scales and preparing the given piece, students must perform before two judges. Each person is competing with students from schools in 25 towns in S.E. Mass. Qualified musicians are chosen to participate in the weekend long festival. To make S.E.M.S.B.A. is an honor that means a great deal to musicians.

HEALTH CAREERS CLUB

Robin Conley, Sandy Meunier, Lisa Viera, Debbie Martin, Mrs. Dwyer. **Not shown:** Karen Allie.

The Health Careers club, headed by Mrs. Dwyer, took a trip to Brockton V.A. hospital. Their fund raiser of the year was posters, instead of the usual candy. Plans for trips and other fund raisers were discussed for future years.

CHESS TEAM

Despite the loss of two of its top players, the chess team successfully defended its Southeastern Massachusetts Conference Chess Championship. Returning to the team were seniors Chris Minardi, Mike Drummond, and Jim Moulding. Freshman Dave Smith, senior Dan DeAmaral, and sophomore Russ Bedard completed the squad. Captain Chris Minardi was undefeated this year on board one establishing himself as one of the finest players in Southeastern Massachusetts. With an enthusiastic group of players returning next year, the team should be contenders for a third successive title.

Standing: Tom Johnson, Greg Harrison, Danny DeAmaral, Erik Hjerpe, Gary Cloutier, Cheryl Pontes, Cheryl Sartin, Steve Goudreau, Leon Lafrance. **Sitting:** Mr. Rabouin, Chris Minardi, Robin Conley, Peter Evans, Louise Marcoux.

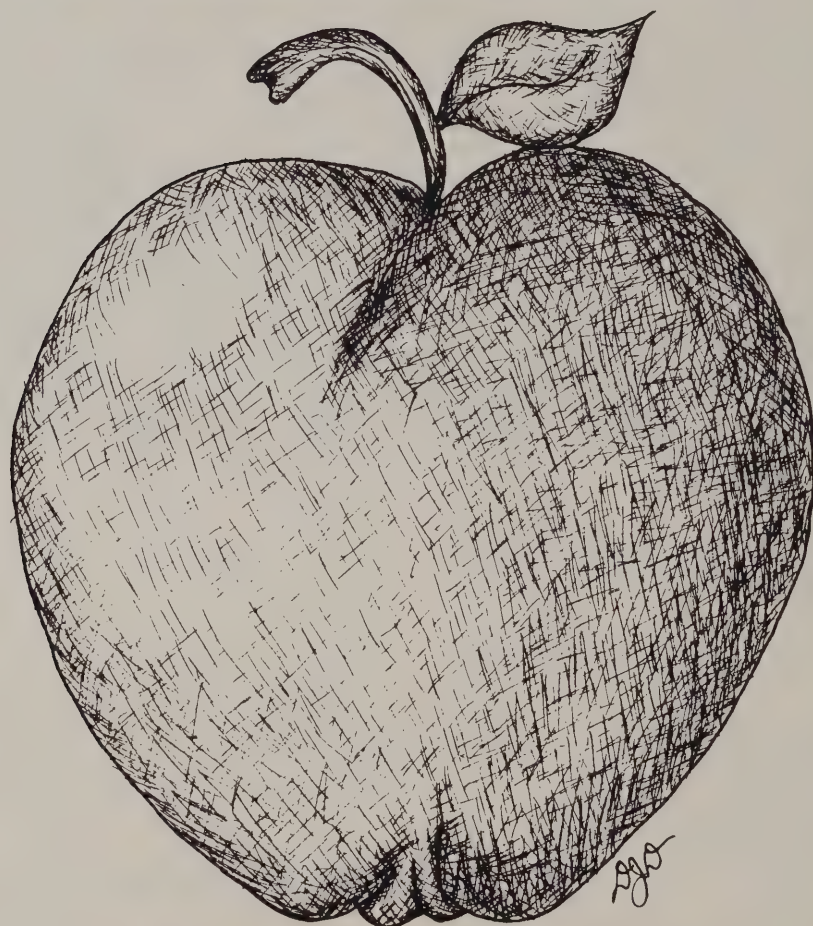

The Math League had a very good year. The team, competing in two leagues, finished second in one league and third in the other. The team also qualified for state tournament as a result of its season play. Leaving the team this year are seniors Erik Hjerpe, Cheryl Pontes, Chris Minardi, Perer Evans, Gary Cloutier, and Dan DeAmaral.

Neither rain, nor sleet, nor snow could stop our faithful cross country team. The secret of their success seemed to be in the support of the entire team. With the growing interest of D-R's underclassmen, this team promises to be even more competitive in the future. Under the direction of Mr. Marsden, the team enjoyed a good season and proved that all of their hard work and training had paid off.

FIELD HOCKEY

Scoring all the way to the league championship, the 1978 Field Hockey team had a fine year. Under the leadership of their new coach Miss Medeiros, the team was able to go all the way with final records of 10-1-3 for the varsity and 6-4-3 for the J.V. With the combination of team effort, sportsmanship, school spirit, and good coaching, it is no wonder the team had such a successful season.

Despite the fact that the volleyball team started out with an almost brand new team, they did a "super job." Their overall record was 11-7 with a final standing of fourth in their division. Several younger members showed potential along with a whole team effort under the direction of Mr. Finley.

MARCHING BAND

It's early on a soggy Saturday morning, when through the silence is heard a whistle blast. A booming voice yells "Band! — ATTENTION!!" With a meek cry of "one" the Falconeers Marching Band prepares for another Saturday of plodding knee deep in mud and water. These dedicated — though some will say crazy — souls brave the cold and damp to cheer on the team whatever the score, and supply one of the best halftime shows around.

FOOTBALL CHEERLEADERS

Now that the megaphones are stacked neatly in the locker room and the uniforms have been turned in, all the sore muscles and early Saturday mornings are just memories.

This year's football cheerleaders took it all in stride. Through the thrill of victory and the agony of defeat, one could always hear an encouraging cheer rise above the stands.

Seniors Lynn Burda, Lori Guertin, Lisa Manchester, and co-captains Mary Benoit and Julie Ryder, said goodbye on a cold Thanksgiving Day, taking with them bittersweet memories of a very special time in their lives.

FOOTBALL

The 1978-79 Falcon football team had the opportunity to welcome the presence of a new head coach this season. From the very beginning they knew they were in for a memorable experience.

Captain's practice started in the extreme heat of August. Tri-Captains Dave Brett, John Paradis, and Dave St. Pierre led the vigorous drills. Confident of being in great shape, the team proudly awaited the arrival of their new head monitor.

Coach Fiore's first week was certainly memorable. The total number of candidates was cut almost in half.

The season was not very successful record-wise (1-8-1), but it was very successful in laying a solid foundation for success in the future.

SPIRIT WEEK 78

Spirit week has become a tradition at D.R. It is a week of green and gold craziness where everyone lets go.

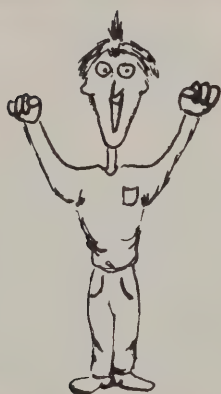

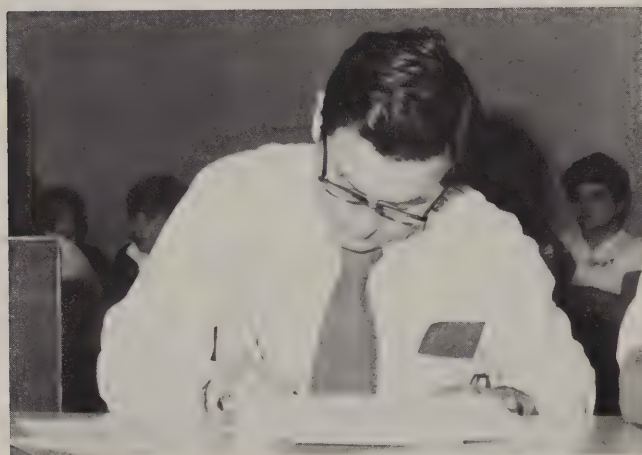

Highlighting this year's competition was Mrs. Hubbard's boom-a-rang, er frisbee throw.

The class of 1979 finished victorious for the second time in three years.

HOCKEY

The season started on a positive note with Falcons playing good, solid hockey. Leading the offensive attack were Jerry Fletcher, Billy Clifford and Damien Spellman. Injuries, however, began to take their toll. Sidelines regulars left the depthless Falcons shallow in S.E.M. DIV. II.

Senior William Barth took the blunt of the rubbers in the Falcon nets during the cold winter months with solid aid coming from defenseman Duane Wilson.

There were some bright spots during the Falcons' disappointing 500 season. A 6-4 victory over undefeated Bourne gave the D-R hands something to cheer about. A cast of underclassmen arrived to fill future spots featuring C. J. Crane, a constant scoring threat. Jerry Fletcher and Billy Clifford became the highest scorers in the school's history. And so ended the hockey season. Good Bye Seniors — Remember those sub-zero days at Swansea Rink?

GIRL'S BASKETBALL Varsity

The first half of the season for the Girls Varsity Basketball team was slow starting, but under the firm guidance of coach Jane Unsworth, the girls ended the season with a strong finish, upsetting Somerset and Durfee.

Leading the team were two seniors whose playing styles complimented each other's. Co-Captain Lynn Smith was the floor leader on both offense and defense. Her excellent passes set up many plays. Co-Captain Cathy Kovatsi worked under the boards. She was team high scorer and high rebounder, capturing the all-time D.R. career records in both areas.

Although the team will miss the strong contribution of Lynn and Cathy, they are looking forward to next season when they will return with an experienced varsity bench.

JV

The JV team's record was the same as Varsity's — 6 wins and 8 losses. Every game was a total team effort with all players carrying a fair share of the weight.

High scorer for the JV was Collette Pelletier. Although this was her first year of basketball, senior Kris Van den Steen was the leading rebounder.

BASKETBALL CHEERLEADERS

"Hey! We're the Falcon fans . . ."

And there was no mistaking who filled these roles . . . the spectators and this year's basketball cheerleaders. The fans seemed to realize that the cheerleaders were not just there to make noise, but to get everyone in the stands involved. Handsprings, flying angels, and fans yelling for the "Disco" managed to prove that, with much agility and skill, this year's squad made basketball cheerleading at D-R, as they would say — "Really grand! Really great! Yeah!"

BASKETBALL

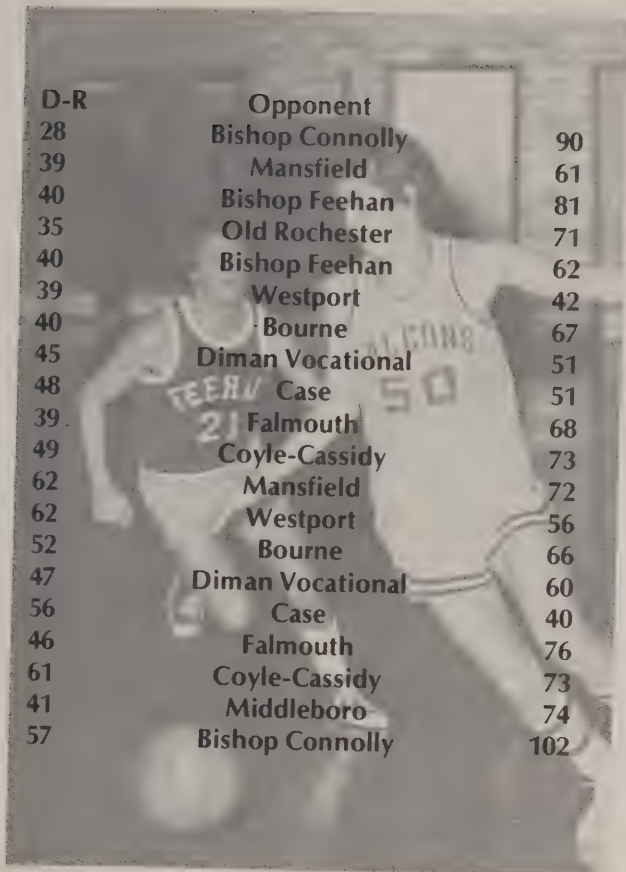

The 1978-79 varsity basketball team experienced a disappointing 2 and 18 record last season. With no returning players from last year's varsity squad, coach Glen Field was faced with the task of taking a young and inexperienced team, and molding it into a contender. The team leader in scoring was sophomore Arnie Peck with a total of 164 points for an 8.6 points per game average. David McGillivray was the team leader in rebounding with a total of 114 rebounds for a 5.7 rebounds per game average. Sophomore guard, Scott Eaton, received post-season honors being selected to the S.E.M.C. division III all-star team. Congratulations to Scott and a special thanks to seniors Raymond Noelte (capt.), Brian Dutra, Joe MacDonald, Bill Grover, and Michael DuVally for the time and effort they put in during the season.

WINTER TRACK

This year's Winter Track team overcame the odds of the weather to achieve a division record of 2-4-1. State qualifiers included Tom Aldous, Bob DeRoche, Hugh Dwyer, Brian Grant, Cheryl Martin, and Kerri Noelte. Kerri Noelte placed 4th in the high jump and Cheryl Martin placed 2nd in the 600. The team, composed of a strong unit of underclassmen, is looking forward to a strong season next year.

BAND

The highlight of the Xmas concert was the debut of the newly formed Stage Band which performed two numbers. The concert band's program included Gesu Bambino, Carol of the Drum, and the Hallelujah chorus. Another piece, Trumpet Tango, featured trumpeteers John Sweeney, Jennie Brin, and Mike Lawler. The concert was the culmination of hard work which started at the end of Marching Band season in late November.

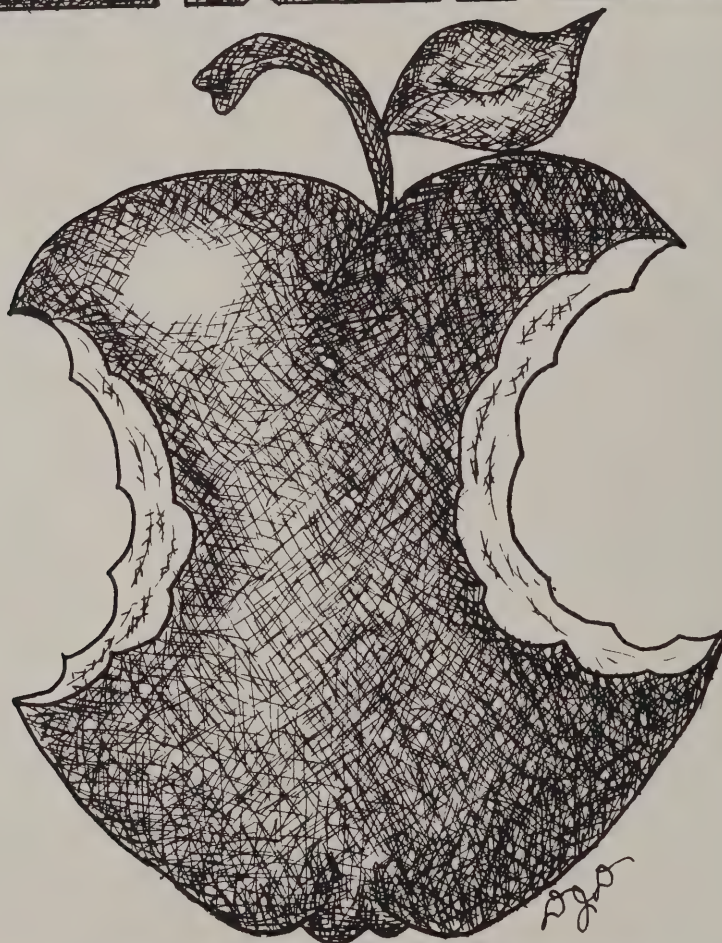

CHORUS

On December 22, 1978, the D-R chorus presented its segment of the Winter Concert, "Hallelujah". Under the direction of Mr. Descoteaux, the chorus performed such numbers as Virealdi's "Cum Sancto Spiritu" and the ever-popular "The Holly and the Ivy". Also appearing were the madrigal singers and the barbershop quartet making the evening complete. It was a very musically memorable evening.

SOFTBALL

During the tough softball competition this year, captain Lynn Smith, a 3 year veteran, led the team in batting with a solid .422 average. Charlene Ponton, although a first-year player, was a defensive standout in center field and a valuable relief pitcher. As usual, the team gave their best and had a good season.

BOYS' TRACK

The boys' spring track team finished their season with a record of four wins and four losses. During the season outstanding performances were turned in by captains Bob DeRoche, Rich Dermody, and Hugh Dwyer, along with sophomore Stan Koss in the 4 by 110 relay. David Lejeune once again showed he was one of the top javelin throwers in the area. Captain Steve Johnson along with Joe MacDonald, Bob Gray, Erik Hjerpe, Mike Duvally and Bob Rose rounded out the senior members of this year's squad. These seniors wish to extend a hardy good luck to coach David Marsden and next year's squad.

GIRLS TRACK

This year's girls' spring track team had a successful season, posting a 5-3 record in divisional meets. At the division finals, they placed third to Seekonk and Wareham. This year's state qualifiers included: Sue Bump, Debbie Duarte, Kelly Horton, Karin Jecoy, Carol Keane, Sue Mann, Cheryl Martin, Mariellen Murphy, Kerri Noelte, and Liz Perreira.

The team placed seventh overall in the State Meet, and Debbie Duarte and Cheryl Martin were state class champions in the discus and 440 respectively. The young track squad composed mainly of freshmen and sophomores shows promise for the future.

GOLF

The 1979 D-R Golf Team began the season with five straight wins — one of them against the defending division champions Somerset. After their blazing start, the Falcons cooled off with a final record of 10 wins and 8 losses in the always tough division I.

The Falcons will miss graduating seniors Scott Simmons, Chris Minardi, and Ray Noelte, who have given 4 years of dedication and fine play, and Jim Moulding who has been a welcome addition to the club. A special congratulations to Chris Minardi for his fine play in the state schoolboy qualifier where he missed qualifying by one stroke. Good luck to the Falcons next year as the young club will try to continue the Golf team's winning tradition.

BASEBALL

The 1979 varsity baseball team started its campaign with a dubious outlook. As usual, early graduation and employment took its toll, turning a very experienced club into a club forced to depend heavily on its three-year performers, co-captain John Paradis and ace pitcher Barret Steele.

As the season progressed, it was evident that experience was a key factor, but the squad proved it could rise above adversity, with the members pulling for each other in a total team effort toward their ultimate goal: the state tournament. Due to the hard work of the rest of the seniors, co-captain Greg Sanson, Kevin Ross, David Terry, and Tom Gonzalski, and fine performances from the underclassmen, the team was able to qualify for the state tournament.

GIRLS' TENNIS

Although the Girls' Tennis team had a rough season, the enthusiasm and support of its members kept a fighting spirit alive. Co-Captains Carol Pearson and Collette Pelletier led the team through thick and thin. Freshman Lori Schreiner moved from fifth position to third, showing that improvement only comes through hard work. Under the helpful direction of Mrs. Weydemeyer, who was always there with encouragement, the team looks to be competitive next year, for only one senior is leaving the ranks.

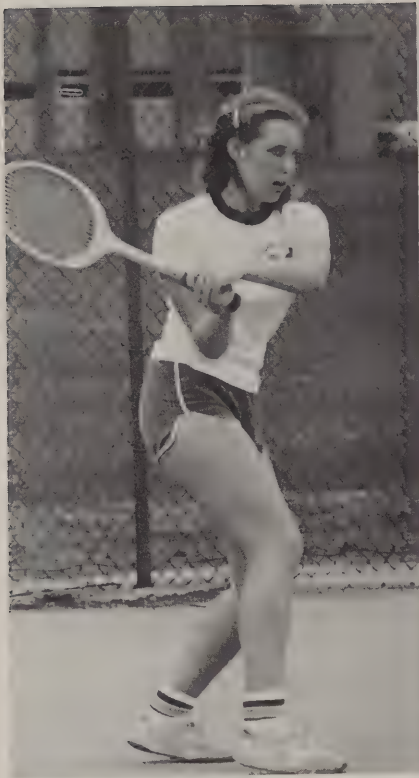

BOYS' TENNIS

This year's boys' Tennis Team experiences a very disappointing season. Even with five veterans taking the court, the Falcons were unable to muster a single victory. Those players returning with varsity experience were Neil Martin, Pete Evans, John Knowles, Bruce Martin, and Jim Horton. Rounding out this year's roster were senior Dan DeAmaral, and Sophomores Ken Paradis, Andrew Anderson, and Brian Peirce. Credit should be given, however, to the players for staying somewhat enthusiastic throughout this very trying season.

N.H.S. BANQUET

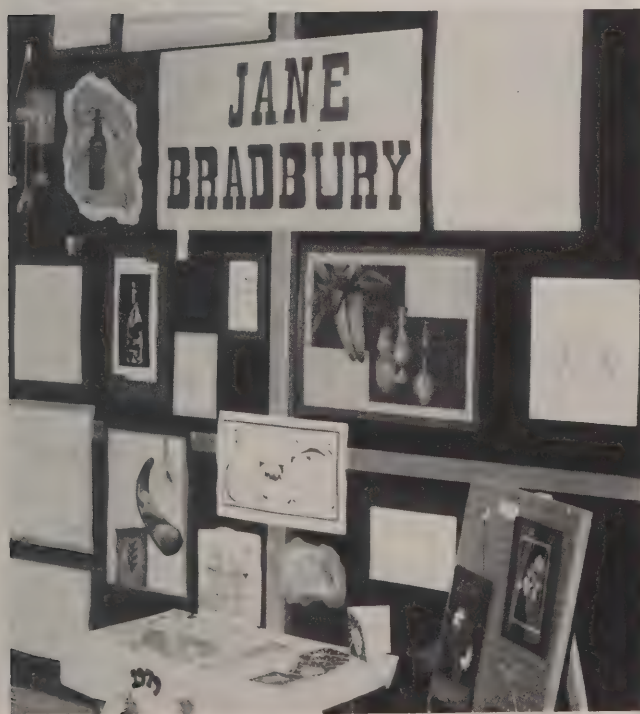

In a beautiful ceremony on the rainsoaked evening of May 30, nine Seniors and nine Juniors were officially inducted into the James F. Frates Chapter of the National Honor Society. Many parents, friends, and faculty members gathered in our small cafeteria to recognize those students who possess the traits of leadership, scholarship, service, and character, and who exhibit a positive force in the D-R community. After signing the book, lighting the traditional candle, receiving the insignia, and repeating the oath, the new members were officially welcomed. A special thanks goes to Mr. Flaherty who stepped in to help plan what was, perhaps, the best installation in D-R's 19 year history.

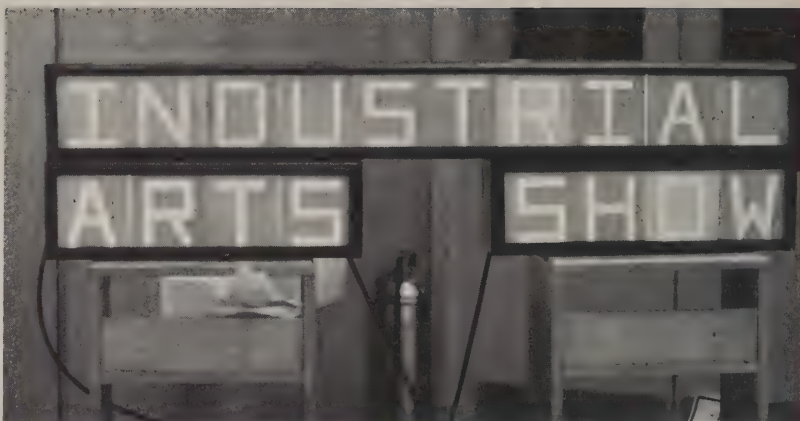

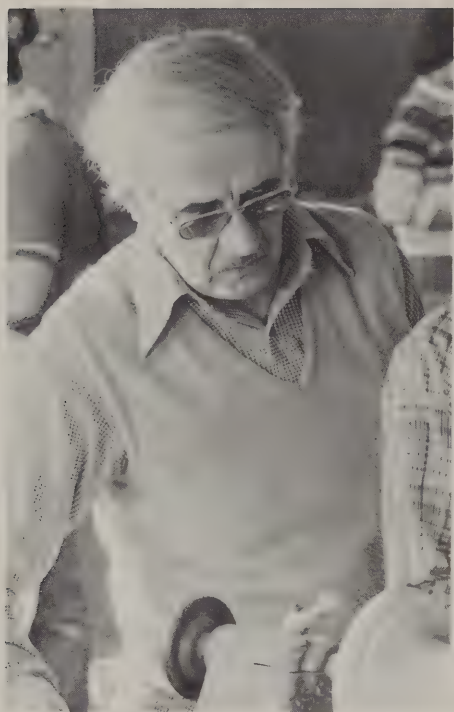

1979 SPRING EXHIBIT

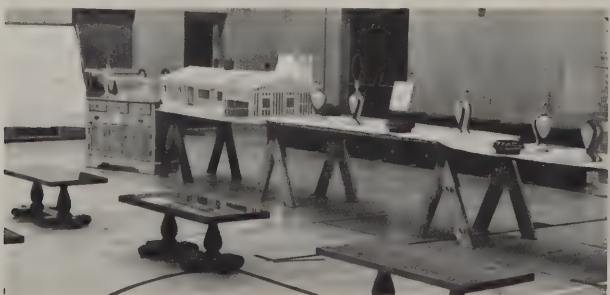

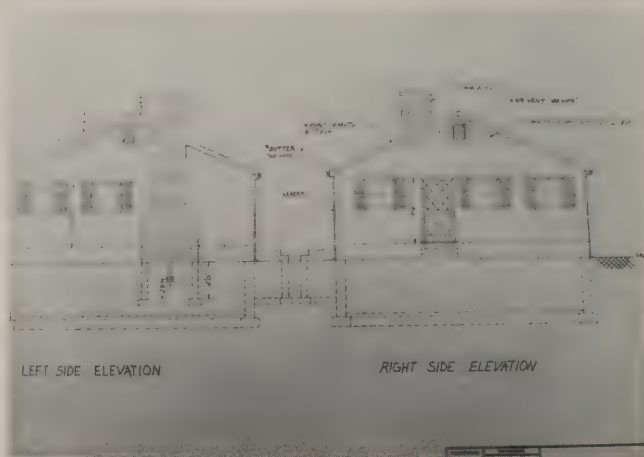

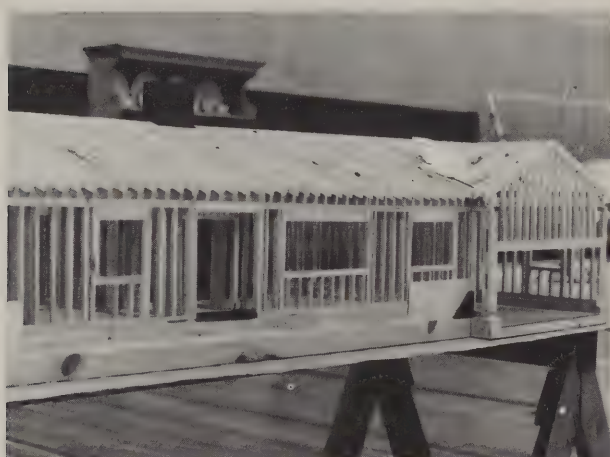

Each year the art, home economics, and industrial arts students exhibit the projects that they have completed in these areas. Many many hours have been spent on these works. This year's exhibit held on Friday, May 18, was very successful. The home economics department had a fashion show with the students modeling their own works. Every year there is a separate exhibit for the seniors in Art IV. The 1979 winners are: first place: Steve Johnson; second place: Kate Otterson; third place: Jane Bradbury and Corey Waite; honorable mentions: Betsy Bennett, Linda King and Craig Grant.

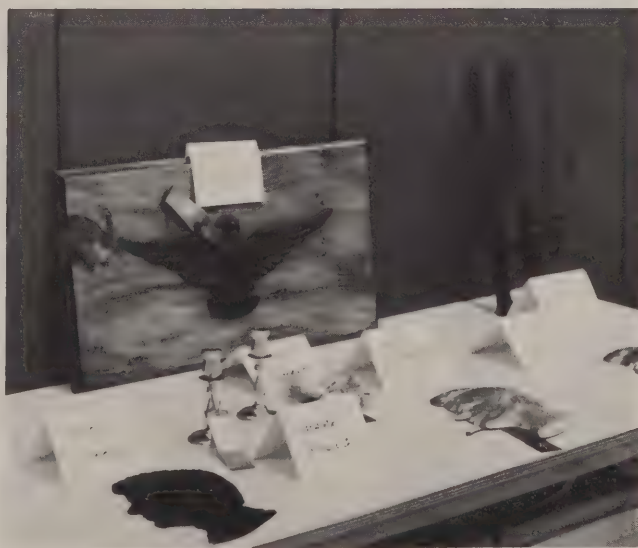

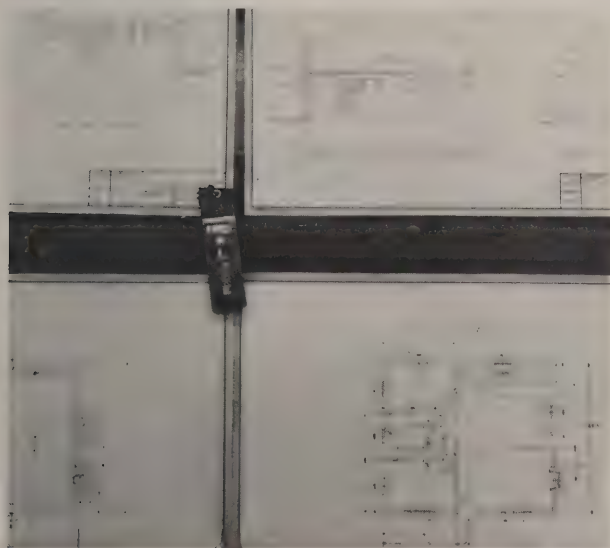

This year's spring exhibit was dedicated to Mr. Joseph Cousineau who retired after 14 years as the industrial arts woodworking instructor. Our best wishes are extended to Mr. Cousineau for a long and successful retirement.

A special thanks to the clothing students and Mrs. Stone for making the costumes used in this year's Senior Class Play.

SENIOR HIGHLIGHTS

FAREWELL NOW, MY FRIEND

I love you my friend,
You're quite dear to me,
A true friend you are,
And always will be.
But you're leaving me soon,
And going your way,
Perhaps we will meet
In the future someday.
You've left me with memories
Of good times we've had,
To treasure forever,
And make me feel glad.
I wish you good luck
In all that you do,
May all of life's pleasures
Come your way, too.

Farewell now, my friend,
And please may you find,
Some thoughts of me
Always in your mind.

JUNIOR PROM '78

On Friday, May 26, 1978, the Class of 1979 once again made D-R history by re-establishing the tradition of a Junior Prom. Held in the gym, which was transformed into a visual spectacle to the theme "Dancing in the Moonlight", the Prom was a great success. Over 300 people, including students and faculty, attended. With good music by the Noblemen and a delicious meal catered by Morin's of Attleboro, the Junior Prom was a thoroughly impressive affair, and a milestone in achievement for the Class of 1979.

SENIOR SUPPER

On January 17, not even a minor snowstorm could keep the dauntless Class of 1979 from that all-too-familiar D-R cafeteria, as the class gathered to honor its own at the traditional Senior Supper. The largest event ever of its kind, this pleasant evening included a delicious roast beef meal (prepared by our own cafeteria staff and served by members of the Junior Class), the formal announcements of class superlatives and the introduction of early graduates. The evening was highlighted by a special awards ceremony during which such prestigious presentations as "The Golden Beaker Award" were made. For all those students and faculty who attended, the supper was truly entertaining, and perhaps for the first time, everyone realized how close at hand our own graduation really was.

GENTLEMEN PREFER BLONDES

On the nights of April 6 and 7, record-breaking crowds packed our tiny auditorium to see this year's Senior play, **Gentlemen Prefer Blondes**, a zany comedy about the Parisian misadventures of dizzy Lorelei Lee and her pragmatic friend Dorothy. The largest production in D-R history, this show was, in the usual style of the Class of 1979, a fantastic success, due in a large part to the cooperation of both the talented cast and dedicated crew. In only her first year at D-R, Mrs. Stone assumed the overwhelming responsibility of creating true period costumes, a task which she and her students handled beautifully. With fine twenties' furniture and a stylish set (excluding one door flat that was a bit tipsy during Friday's performance), this production, thanks to a heart-and-soul effort by director Ed Martin, was great fun for all involved, and a highlight of the 78-79 school year.

WE MAY NEVER PASS THIS WAY AGAIN

Life — so they say
Is but a game and they let it slip away
Love — like the autumn rain
Should be dymy but it's only just begun
Like the twilight in the road on ahead
They don't see just where we're goin'
And all the secrets in the universe
Whisper in our ears and all the years will come and go
And take us up, always up.

We May Never Pass This Way Again.
We May Never Pass This Way Again.
We May Never Pass This Way Again.

Dreams — so they say
Are for the fools and they let them drift away
Peace — like the silent dove
Should be flyin' but it's only just begun
Like Columbus in the olden days
We must gather all our courage,
Sail our ship out on the open sea,
Cast away our fears and all the years will come and go
And take us up, always up.

We May Never Pass This Way Again.
We May Never Pass This Way Again.
We May Never Pass This Way Again.

So I wanna laugh while the laughin' is easy.
I wanna cry if it makes it worthwhile.
I may never pass this way again.
That's why I want it with you.
'Cause you make me feel like I'm more than a friend,
Like I'm the journey and you're the journey's end.
I may never pass this way again.
That's why I want it with you, baby.

We May Never Pass This Way Again.
We May Never Pass This Way Again.
We May Never Pass This Way Again.

SENIOR PROM

June 6, 1979

The spacious main ballroom of the Cranston Hilton served as the site for the 1979 Senior Reception, an event well attended by both students and faculty. The evening began with a small gathering on the patio and terrace before moving inside for a tasty meal. The remainder of the night was spent dancing to the rockin' sounds of the Dime-A-Dance Band, talking with good friends near the pool, and gazing out over the moonlit waters of Narragansett Bay. At midnight, it was time to leave, but the memories of this classy event, the crowning achievement of our Senior year, will always linger.

GRADUATION

Senior week, a seven-day period of marching, sitting, standing, and singing, climaxed our four years at D-R. Monday and Tuesday, June 4 and 5, were spent rehearsing in the gym (should it rain) and in the courtyard (in case of sun). Wednesday began with the annual awards ceremony and ended with a superb prom at the Cranston Hilton. Awarded Thursday off for good behavior, we returned on Friday for Class Day exercises and the Senior-Faculty Reception. Then, suddenly, it was time to set aside the fun and frolics, and direct our thoughts to graduation.

After countless hours of preparation, it was our turn, and four years of work and memories were reduced to this one moment. It was really us up there on the platform, and, sitting in the audience, were our parents and friends, beaming with smiles and madly popping flashcubes. A tinge of sadness over the thought of leaving these good friends mixed with a great joy at having completed this stage of our lives. With diploma in hand, we suddenly felt stronger and more confident, and, with our heads held high, we looked anxiously toward what lay ahead.
